## Agenda

---

### Old Business

- Complete the SPMP document.

### New Business

- Change gantt chart and WBS.
- Modify man month.

## Old Business

---

- **Complete the SPMP document.** There were problems with WBS and gantt chart. We discussed how to change these parts and assigned who takes responsibility for which part. Last week we sent an e-mail about man-month, but still didn't receive e-mail from professor so we postponed about man-month. Another parts were gathered together and merged by Gwanggyu Choi.

## New Business

---

- **Make new gantt chart which is based on revised WBS.** Seongho Seo takes responsibility for revising Android WBS and Jaeseong Lee takes responsibility for revising JAVA program WBS. Dongho Son will merge it and revise old gantt chart.

## Next Meeting
