Agenda

Old Business

- -

New Business

- Discuss about how to write the design model document.

Old Business

- -

New Business

- **Discuss about how to write the design model document.** We discussed about what outputs come out for each team and how about the plan for that. Seongho Seo sent questions about this to prof. Scott Lee via e-mail and will notice it to us when he receive a reply. Our discussed plan is this.

Who	What	When
JAVA team	Data flow diagram Sequence diagram State diagram Class diagram	Until next meeting
Android team	Data flow diagram Functional diagram Architecture diagram	Until next meeting
Server team	Data flow diagram Class diagram	Until next meeting

Next Meeting

- Mon, 18th May 2015
